

### Frequently Asked Question

Our on line group recently been approved by the World Service Office. Could NCWSA list our meetings at: <http://ncwsa.org/links.html>?

NCWSA already has a link for on line groups. It is "For information about ON-LINE AL-ANON MEETINGS, contact <http://www.ola-is.org/> " On line groups should list themselves on that web site. NCWSA does not give favored status to any of the many groups that now exist on line.
