

## **DISTRICT 14 Web Site: What do you want to say? What do you want to hear? Your Al-Anon web site is asking.**

The DISTRICT 14 AFG web site is beginning its new upgrade to better serve our members. In addition to its previous web content, such as D14 Meetings List and Newsletters, we have more room for new information and we want your ideas. Please tell us what you want to “say” and what you want to “hear” on our web site. Thank you for your service!
