

## Calling All Al-Anon Quilters—

Here is your chance to join in making a Diversity Quilt to be raffled off this Spring. Here is a rough idea of the block: a mountain with the sun setting or rising behind it. The mountain might be in the middle of the block, on one side or the other; the sun might be almost hidden, or high in the sky; details (Colors? Solids? Prints? How many stripes of sky or land? Clouds? Size of sun?) are up to you. Use 100% cotton, please. Send a block you like (quickly, please), of one of the sizes shown below, to:

Laurie B. and call her at (831) 601-4725 to tell her what you are sending.  
1260 Flores St  
Seaside, CA 93955

We need:

- 6 blocks measuring 45" w x 16" h
- 18 blocks measuring 13" w x 11" h
- 24 blocks measuring 10" w x 8" h

(Extra blocks may end up on the back.)

So get sewing! Together we can make a glorious quilt! If there is someone who wants to quilt it for us, please call & volunteer.

This was Janie L's idea – for more info on the raffle part, call her at (707) 763-0183.
