The Al-Anon Preamble

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization or institution, does not engage in controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic. Alcoholism is a family disease. We would like to remind you that our children are also affected and that there is a program of support and help for them called Alateen.

Request schedules or report schedule changes by calling Louise @ 685-1548.

Submit all changes two weeks prior to the District Meeting to be included in the next schedule.
